

Directions to the Magnet Theater - 254 W 29th St, NY, NY

1. For the initial point of reference, I'll use the information Booth in the middle of the Main Concourse at Grand Central Terminal. Sufficiently recognizable. Looking from the train terminals, head over towards the passages on the right.

2. Keep to the left of the stairs, and head through the passage to: "Subway Shuttle • 42nd Street".

3. The other side of the passage will look like this. To hit the taxis, hike up the ramp to the exit and taxi stand. For the Subway, walk alongside the ramp to the doors way back in the distance. Once thru the doors, bang a right and head down to the Subway Shuttle to Times Square.

4. When the Shuttle gets to Times Square, get off and follow the crowd. Eventually, it will look something like this. You want to follow the signs for the 1/2/3 line, or the arrow in the photo.

5. Go up the stairs behind that guy. The ones with the green and yellow ads on them in this photo. (Probably won't be the same ads anymore.)

6. The Downtown 1 train is down these stairs. Make sure the pretty mosaic above the stairs says "Downtown Trains". Hop on the 1 train (usually on the right-hand side) and take it to the 28th street stop. Exit the station and take a left at the top of the stairs. You will be on 7th Ave.

7. Walk up one block and take a left onto 29th St. Head down almost to 8th Ave; the Magnet Theater will be on the left, under the big awning that says "Magnet Theater".

Yeah, that one.

Well, actually, the door's on the right. So that one.
